The screenshot shows a web browser window with the address bar displaying <https://schema.org/weight>. The page has a dark red header with the 'schema.org' logo on the left and navigation links 'Home', 'Schemas', and 'Documentation' on the right. The 'Schemas' link is highlighted. Below the header, the main content area features the heading 'Property: weight' in a dark red font, followed by the description 'The weight of the product.' in a smaller, grey font. A light grey box contains two sections: 'Values expected to be one of these types:' with the link 'QuantitativeValue', and 'Used on these types:' with the link 'Product'. At the bottom right of the page, the text 'Schema Version 1.0f' is displayed, and a link for 'Terms and conditions' is located at the very bottom.
